

RE: MDC BROOKLYN  
MDC BLACKOUT

Your Honorable Judge Korman  
or others now presiding;

2-24-25

My name is Ronald Hoening BOP# 27146-177  
TDCS# 00613106, I am a Class B member in  
the MDC Blackout Class Action Lawsuit before your  
Court. "Supposedly" settled Aug. 2023.

This is my 2nd letter to you. I've had NO RESPONSE  
to multiple letters to Rust Consulting (US Settlement Admin)

The parties; the United States and the Class agreed;  
settled; perfected the Release paperwork ect. in 2023!  
Settlement was Reached AUG 2023. Deadline has LONG  
passed for joining Class. Counsel has responded with NOTHING!  
<sup>rhetoric and</sup>

And still - No movement! The parties SETTLED!  
My "attys" claim that its up to AG to sign off. -  
ITS BEEN A YEAR & 1/2 ! SIR!

I have repeatedly asked counsel WHY  
I'm waiting, WHATS BEING DONE to COMPEL the  
AG to sign? And if the AG does not sign;  
I want to proceed forthwith to a  
trial by Jury - or even one by your Honor.

(1)

I cant see <sup>WHY</sup> the attys just sitting; NOT  
filing anything to PRESS FORWARD to a  
resolution; in this FIFTH YEAR of  
a settled lawsuit! I understand that  
the Attys MAY have received \$ for fees  
on this case! Is this true? <sup>Time is \$ to them.</sup>  
<sup>For me - its heartache  
and hopelessness!</sup>

→ I seek Sue Sponte representation  
by the court to move this matter SWIFTLY  
to closure! AG & Counsel have stalled long enough!

Your opinion in the Class verification  
was clear in that you believed my "Attys"  
to be qualified to proceed to a Conclusion  
in this matter. —

They have NOT!! The United States Attys  
settled the lawsuit; why has it not been  
concluded for over 18 months??  
WHY IS COUNSEL JUST SITTING AND WAITING??  
I've asked Counsel for a docket sheet  
in this case. Can the clerk send me one  
if Counsel refuses? Thank you for your help!

I anxiously await a response from  
you or the Court Clerk. <sup>Respectfully yours!</sup>  
Rudolph
